*"Absolutely Hysterical!
Wonderfully entertaining for all
ages - fabulous characterisations
and interactions!"*

★★★★★

-The Gold Coast Triathlon, QLD

The Tambourine Band is an endearing, joyful, slightly unhinged mask theatre act, specifically tailored for a wide array of events, festivals and occasions. The Band brings the essential ingredient of hilarious chaos with these seriously committed musicians, not entirely playing precisely in tune with each other, but continuing to perform their exclusive comic outtakes to the crowd's amusement.
